SUPPLEMENT

THE CLAIM PROCESS

Members are required to pre-notify USA Medical Services as soon as they know they will need any type of treatment.

FOUR REASONS WHY YOU SHOULD NOTIFY USA MEDICAL SERVICES THROUGH MY BUPA OR AT +1 (305) 275 1500

1. **Assistance** in understanding and coordinating your benefits with direct 24-hour access to our team of professional personnel.
2. **Support** from our staff offering guidance to you or your family for the best possible medical care and services: top rated hospitals, reputable physicians and community resources.
3. **Access** to qualified representatives with extensive experience in the industry to help you avoid or reduce unnecessary medical expenses and overcharges.
4. By notifying us, we can provide the **best** possible care management before, during and after your treatment or service.

BEFORE

Once USA Medical Services is notified that a Member needs any type of treatment, our staff begins handling the case by communicating directly with the patient's doctor and medical facility. As soon as we receive all the necessary information from your provider, including medical records, we will coordinate direct payment and confirm your benefits. This is how we guarantee our insureds a smooth admission to the hospital without worrying about payments or reimbursement. Additionally, we are here to coordinate and schedule air ambulances and second surgical and medical opinions.

DURING

During treatment and/or hospitalization, our professional staff continues to monitor the patient by communicating frequently with the doctor and hospital staff, and following up on needed treatments, progress and outcomes. We can also provide information and support to your family about the latest medical advances and treatments. Members of our staff visit patients, contact families to provide assistance, answer questions, and ensure that the patient is receiving the best quality service.

AFTER

Following the patient's treatment or discharge from the hospital, our staff at USA Medical Services will coordinate any follow-up treatment or therapy, and will make the necessary arrangements until the payment of the claim is completed.

NOTIFICATION BEFORE TREATMENT

This section shows you what to do if your doctor informs you that you need a procedure or follow-up treatment. It also tells you what information you will need when you contact us, and what we will do to help you during the claim process.

The authorization of a claim is handled by our team of professionals at USA Medical Services. They will help you get access to treatment as promptly as possible and are there to offer you guidance and information, as well as confirm coverage for any procedure. Please make sure that you have notified USA Medical Services by submit your pre-authorization request through My Bupa, www.bupasalud.com/MyBupa, or calling +1 (305) 275 1500, at least 72 hours in advance of receiving any medical care, or within the first 72 hours of receiving emergency treatment.

IF THE DOCTOR RECOMMENDS A SPECIALIST OR SPECIFIC MEDICAL TESTS

Contact USA Medical Services through Mi Bupa, www.bupasalud.com/MyBupa, or calling +1 (305) 275 1500. It will help us speed up the process if you have the following details on hand:

1. Name of the referring doctor
2. Name of the doctor or specialist that the patient has been referred to
3. Medical tests that need to be performed
4. Hospital of preference

It will also help if you can ask your doctor for a copy of his/her case notes or records regarding your condition, as we will need to review them. You can send them through Mi Bupa to us. USA Medical Services will make arrangements for the tests, and confirm your coverage with the doctor and hospital. This normally takes a few days once we have all the information we need.

IF THE DOCTOR RECOMMENDS SURGERY OR OTHER TREATMENT

Contact USA Medical Services through Mi Bupa, www.bupasalud.com/MyBupa, or calling +1 (305) 275 1500. When you contact us, we will need the following:

1. Condition or symptoms being treated
2. Proposed treatment
3. Referring doctor
4. Doctor and hospital of preference

Again, it will help us expedite the process if you send us copies of your doctor's case notes or records. Once we have all of the information we need, we will:

1. Verify that your membership is in effect at the time of treatment
2. Verify that the condition and treatment are covered under the terms of the membership
3. Confirm coverage to the hospital and doctor
4. Schedule a convenient appointment for you at the hospital

To fully settle your claim once you leave the hospital, a claim form, medical records, and original invoices are required. We usually receive these documents directly from the hospital. However, your claim may be delayed if we do not receive these documents and need to request them.

Once the claim has been approved, USA Medical Services will confirm the amounts paid and will notify the Member of any amount that needs to be paid to the hospital or doctor (for example, a deductible or coinsurance on the membership). In most cases, once the request is reviewed and approved, USA Medical Services will pay the hospital and doctor directly, but there are some cases when this may not be possible. Cases include treatment that takes place in a hospital that is not part of the Provider Network, when Members fail to notify the treatment to USA Medical Services, or if more information about the Member's condition is required.

IF THE DOCTOR RECOMMENDS PHYSICAL THERAPY OR REHABILITATION FOLLOWING SURGERY

Contact USA Medical Services through Mi Bupa, www.bupalud.com/MyBupa, or calling +1 (305) 275 1500. When you contact us, we will need the following:

1. Therapy plan
2. Therapist of preference

The doctor should provide a therapy plan that outlines how many therapy sessions the Member will need and what kind of progress the Member is expected to make. USA Medical Services needs to approve this plan before the therapy is authorized.

HOW TO SUBMIT A CLAIM

If the Member has followed the necessary steps, and the treatment or service is covered under the membership, USA Medical Services will issue a direct payment to the provider. However, there are circumstances when this is not possible, and USA Medical Services will need to process a reimbursement directly to the Member. In those cases, there are certain guidelines that the Member should follow, which are specified below.

In order to expedite the processing of your claim, the Member needs to complete the following steps:

1. **Complete** the claim form. A copy of the claim form can be found in your membership kit.
2. **Attach** all medical documents if you have not already sent them in. For example:
 - Physician's summary
 - Diagnostic and lab tests
 - Prescription
 - Medical equipment request
3. **Enclose** all original receipts. Duplicates or copies are not accepted. For example:
 - Invoices
 - Proof of payment
4. **Send** the claim form, documents, and receipts no later than 180 days from the date of service to your Group Administrator or Through My Bupa, www.bupasalud.com/MyBupa.
